

Cosmopolis
FIREFIGHTERS
Association

Thank you for your interest in becoming a City of Cosmopolis Fire Department Volunteer Firefighter.

The City of Cosmopolis Fire Department seeks the volunteer talents of hardworking, customer service minded men and women who live in our community to provide a wide range of fire suppression, fire rescue, water rescue, emergency medical services, minor hazardous materials assistance and public education to the greater City of Cosmopolis Fire Department service area.

Our application process is multi-phased, yet simplistic and allows us to get to know our future brothers and sisters. Upon the successful completion of all phases of this application process, you will become a probationary firefighter. During this period, it is paramount to have your complete participation, to establish general knowledge and rapport with the other members of the department.

Training sessions are held the second and fourth Wednesdays of every month starting at 7pm. After the training session on the second Wednesday, an evening meal is shared by all members of the department. The Association of Firefighters monthly business meeting is held after the training on the fourth Wednesday of every month. During your probationary period, you will not be allowed to participate in these business meetings, however you will be able to attend for informational purpose.

Volunteer Firefighter candidates are issued all necessary departmental PPE gear including a pager. Response to any emergency calls during this time is strongly encouraged. Participation in any call the Fire Department responds to is left to the judgment of the Chief and/or the Assistant Chief.

Depending on the area of interest, Support Service Personnel will be required to complete initial training, specific to their job.

Please read the application carefully and attach all required information. Return the completed application to the station on Sunday mornings between 9 am and noon, or during the second and fourth Wednesdays between 7pm and 9pm.

Again, thank you for your interest. Should you have any questions, please contact myself or one of the following officers.

- Assistant Chief, John Bramstedt (206) 963-2323
- Fire Safety Officer Al Burrows (360) 581-7231

Sincerely,

Cody Bridges
Chief, Cosmopolis Fire Department
