Staff Present: Attorney Steve Hyde, Public Works Director Darrin Raines, Deputy Clerk Candice Makos and Assistant Fire Chief David Dutton

Mayor Chestnut called this workshop together for possibly of putting forth to the public an M & O levy. If the council decides to go through with the M & O levy we have until sometime in August to get this on the November ballot. This M & O levy will speak directly to equipment deficiencies in the Fire department, Public Works Department and the Police Department.

Each Department head gave a brief synopsis of some of the items they will need to purchase in the near future along with approximate costs of these items.

If the council agrees Mayor Chestnut would like to call more workshops in the future to address fine tuning the M & O levy .
