

City of Cosmopolis
Workshop
October 21, 2015

Mayor Frank Chestnut presided

Councilmembers present: Jonathan Fischer, Jim Ancich, Carl Sperring, Kyle Pauley and
Debbi Moran

Staff present: Public Director Darrin Raines, Police Chief Casey Stratton, Attorney Steve Hyde
and Finance Director Cheryl Turner

Mayor Chestnut said the purpose of the workshop was to discuss a possible ordinance providing
for the use of WATV's and ATV's being driven on City streets, and the possible \$5 Capital
Replacement Revolving Fund tax on the water and sewer bills. The third item was to have been
the verbiage in the ordinance regarding camping. That item has been dropped from the workshop.

Police Chief Stratton was asked if he had any objections to WATV's and ATV's on the streets. He
had none.

Council discussed the possibility of allowing WATV's and ATV's on City streets and agreed that
the Attorney should put together an ordinance to allow the use of WATV's and ATV's for the next
Council meeting.

The Mayor read the ordinance regarding the Capital Replacement Revolving Fund and told the
Council that he had added a sixty month sunset clause to the ordinance. Council asked that the
ordinance be put on the next agenda.

Meeting adjourned.
