**Equipment fund**

Finance Director Turner gave the Council a spreadsheet showing the amount of money the City would collect to help fund an equipment fund.

Councilmembers wanted to know if we would collect more money by a flat rate or percentage.

Finance Director Turner said she would do a spreadsheet to show both ways.

Councilmember Fischer asked the department heads to put together an equipment list for the Public Hearing on Sept. 16.

**Police car**

Purchase of a police car will come out of equipment reserve. The dump truck payments have been moved from equipment reserve to water, sewer, street, parks and cemetery.
